

**ELTHAM
PROSTATE
CANCER
INFORMATION
& SUPPORT
GROUP**

www.epcisg.org

Our group members recommend any man newly diagnosed with prostate cancer attend a meeting, even if it is only once.

- Our attendees' wide range of experiences with different treatments can help you to better understand your treatment decision
- We invite health professionals to provide information and education directly at our meetings
- We support one another in a relaxed, informal environment

MEETING DETAILS

Time	7pm third Monday of every month
